

Survey done by: _____ **Date:** _____

A. Customer Information:

Name of contact person: _____

Telephone: _____ Mobile: _____

Email: _____

B. Village Information:

(1) Name of Village/Tehsil/Block: _____

(2) Distance from tehsil place: _____ (3) Nearest bus stand & distance: _____

(4) Nearest railway station: _____ (5) Nearest air port _____

(6) Is grid power available in the village: Yes/No (7) Is grid power available in the farms: Yes/No

(8) Is sufficient water available throughout the year? Yes/ No (9) Months of water scarcity: _____

C. Information about cattle units:

(1) Total no. of cattle units: _____

(2) Cattle composition: (a) Indian Breed Cows _____ (b) Cross Breed Cows _____

(c) Buffaloes _____ (d) Calves _____ (e) Bulls _____

(3) No. of cattle giving milk: _____

(4) Liters of milk collected/day: _____

(5) Is the no. of cattle fixed or variable? _____

(6) Any possibility of increasing /decreasing cattle units in coming years? If yes, then by what number and by when? _____

D. General Information:

(1) Numbers of Bulk milk chillers (BMC): _____

(2) Make and model number of BMC: _____

(3) Operating hours of BMC /day: From _____ to _____

From _____ to _____

(4) List of other Electrical equipment & Operating hours:

(5) Other Usage of milk like Preparation of milk products? (a) Yes (b) No

If yes then, products are _____

E. Description of site:

(1) Open space available: _____

(2) Approximate distance between proposed BG plant location & proposed utilization Point:

(3) Whether excavation is possible at site? If yes then up to what depth: _____

(4) Average temperature in three seasons: _____

(5) Whether civil contractor, fabricator team is available with the authorities?

General observations: _____
