

Survey done by: _____ Date: _____

I. General Information:

(1) Name of Organization: _____

(2) Address: _____

(3) Site address: _____

(4) Name of contact persons / NGO/ Agency/ Individual, contact details: _____

II. Energy demand Assessment:

(5) Why grid power not available? _____

(6) Is grid power available in nearby area: Yes / No

If yes, Load shedding hours: _____

(7) Is diesel engine / generator available at site: Yes / No

If yes, Make: _____ Model No: _____

Power (kVA): _____ Phase: Single Phase / Three Phase, Voltage _____ Current _____

Diesel consumption per hour: _____ Operating hours of DG per day: _____

(8) Demand of power for equipment, quantity & approximate usage hours:

Sr No	Load	Quantity	Make	Wattage	Operating hours (From – To)
1	Lights (LED / CFL / Incandescent bulb / Other)				
2	Fan				
3	Computer (Monitor, CPU)				
4	Other				
5	Other				
6	Other				
7	Other				

(9) Other comments :(clear space available, photograph of proposed site) _____
